TE KÅRERE - OUR LEARNING MESSAGES Hands on construction experience for Year 13 åkonga

This year, for the first time ever, our Year 13 3kongo are learning to build a house through a brand new course.

As an experience of a future career in Building and Construction (BCO). Te Puke High School akonga now have the opportunity to build a fully insulated, lined and wired sleepout. This sleepout is built to the exoting standards as houses, and to the skiller is the same.

Der klonge have been extremely fortnate and grateful to receive incredibly generous community support from Caroline Sanders, Manager at Bunnings Te Pube and Hathan Miller, Manager at Pakepine Savmill, Nathan ne cort, and Caroline has worked trecessits to support our akonge with a number of speasored tools, shirts and hata.

Once our škonga leave school and enter the building trade, they will already be familiar with most tools and processes, meaning that their transition into a career will be a lot more seamless and comfortable.

Student Leadership Councils announced for 2021 List year, the TMS Maori, Indian and Pasifika Student Exidentitip Councils were established for the first time and the cohort for 2021 is again a group of passionate, dynamic and enthusiaste alwing.

Hering been shown for their ability to be posterior nois models is our stood and/or their commonities, the council will allow them a platform for scart develop their loaderskip skills (horses) scoping and the store of the store of the store of the store of the approximation and any store platform for the store of the approximation and any store platform for the store of the approximation and any store that their role is to care for the school believe in the power of managity, and/or and withoung stores. Innovation Week - A Hit! TPHS has just held it's first Innovation Week organised by Enterprise kalako Mrs Steph Davids. "Exploring Innovation is more than creating new products

or services, it allows students to be creative, think outside the box and develop their problem solving skills".

Year 0 students had the oportunity to submit their ideas to the Young Innovator Awards with a chance to win some amazing prizes organized through Priority One. The Year 11 Enterprise Students completed their Market Day with "Dady's Donuts" making over 5500 profit. All buildiness groups defined to donate some of their money towards the school's breakfast Club is a part of their corporate social responsibility.

Year 12 and 13 Enterprise Students competed Scheme Pitches which was an opportunity to showcase their ideas with Bay of Plenty based entropreneurs. "It was a 'real-world experience that we will never forget; to receive validation from business

professionals was amazing" Miah Hammond (CEO/Candle Aura

To complete the week, Year 11 Students went over to Walkato University Tauranga Campus and Toi Ohomai to explore future opportunities and participate in Workshops.

It's all go for the Arts: And "Grease" is the word!

This year we bring a fan favourite to the stage with our interpretation of "Grease", Join the cast as they navigate the rocky emotions between the lock, the innocent, and the populars. Cast members have commented for "Grease" as 'cool to see how people got together without technology. drive in movies were an actual thind and 'lore the colourdu ioutits and the lore the lore

Round Up: With the Board of Trustees Der strategic forus in our charter is engagement. Engage the student, engage the staff, engage the whankay, engage the community.

As part of bills, the Board's plan is to connect and we are looking at ways of having simple communication to ensure we know what our community want in our cholo. Planas take the opportunities as they arise. We will have a presence at existing events that happen within the school calendar over the next three months, such as sensitive the standard of the sense of the sense three months, such as detection of the school of the sense of the sense three months, such as detection of the sense of the sense of the sense three months, such as detection of the sense of the sense of the sense three months, such as detection of the school of the sense of the sense three months and detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense of the sense of the sense of the sense detection of the sense detection of the sense detection of the sense detection of the sense of the se

The Board recently welcomed Jim Smith. Jim previously served on the Te Puke Primary BOT for six years, so is a great addition to the team.

The trustee of the month is Braden Hungerford: Braden joined us in mid 2019 with a background in the ktwifruit industry.

- I am on the Board because we all need to contribute in some way to our kids schooling.
- The high school I attended was Te Puke & Putaruru.
- One thing I remember about my school days is detention day one at TPHS but it got better from there.
- My interests and hobbies are being with family, erowine stuff and aviation.
- My super power is the ability to keep looking up. But please don't ask me to read the fine print

halt... to much effort was put itst their presentation. It seems not many students get to reflect on the past; to resonate and feed seep) about apprimences past. The finally remarkers halt... Of creaser open with a dalk higher to Tradegh the path have at 6.30 gm - 3 fam. High evening of amazing entersianeent and food.
