

Ākonga Show Enterprise in Wellington

In the last week of Term 2, 17 Enterprise students headed off to Wellington to explore our Capital. We had an amazing time with some highlights including seeing Jacinda Ardern in Parliament, Weta Workshop and being up close with the te Tiriti o Waitangi. We also went to the Treasury, Te Papa, and up the cable cars. Students also had the opportunity to explore Victoria University to see what student life has to offer. Mrs Davids, the Enterprise teacher said: "I was so proud of our students and how they conducted themselves in public and we have had nothing but positive feedback from presenters and tour guides". A big thank you to the organiser Mrs Davids, and to Mrs Burggraaf and Mrs Barton who assisted with this trip.

A Night in Tokyo - TPHS Ball is a Hit

Last Saturday night our stunning Year 12 and Year 13 students arrived in style for the 2021 TPHS School Ball entitled A Night in Tokyo. For the past two terms, our Ball Committee has been working tirelessly planning, making decorations and painting backdrops to create this spectacular evening. It was heartwarming to see the **community** come out and support our rangatahi. Thank you to all the students and staff for making this event possible, especially to Mr Hopkins and Mr Lockwood, for the heavy lifting.

What's on?

MULTICULTURAL EVENING PERFORMANCE:

- Thursday 19th August; 6.30pm
Food stalls, 7.30 Performance

I am on the board because I am committed to education in our community. The high school I attended was Wairoa College, aka "The Rock".

One thing I remember about my school days is spending most of my spare time in the metal workshop fixing stuff.

My interests and hobbies are: Motorcycling and playing the saxophone.

My super power is I learn real fast.

But please don't ask me to organise social events

As part of our engagement plan, we have been developing patai that are based on the boards objectives in the Education Act.

These are:

- Educational achievement
- Safety and wellbeing
- Inclusion and caters for different needs
- Gives effect to Te Tiriti o Waitangi

We tested the questions at the recent Grease production, thanks to those who gave some good feedback. We will be at many of the school events, so keep an eye out.

WE ARE BOARD, TALK TO US!

Year 10 Careers Week Involves Community

Our Year 10's started the term engaged in various career driven activities during Theme time. These were provided by our awesome Careers Team. Thursday morning was dedicated to our fantastic guests who volunteered to give their time, energy and impart their wisdom. The system was similar to a speed dating scenario, where a variety of different people spoke to a small group at a time about their particular career. Each student was given a map of what/where the different careers were and chose specific tables that piqued their interest. These efforts have been put in place to help students make more informed choices about their decisions for NCEA subject selections. We thank all our guests for their time and support in making this Careers Expo successful. As has been said many times, 'It takes a village to raise a child', and the support that our local community has contributed will go a long way in positively influencing our students' futures. Ngā mihi nui.
