- * 'CHOICE AS' DAY, 8.40AM TO 3.15PM, WEDNESDAY 15 MARCH, AT TPHS.

TE KARERE: OUR LEARNING MESSAGES:

Student Leadership Conference proves to be GRIPPING

Twenty five of our shining stars attended the amazing GRIP Student Leadership Conference in Rotorua last Monday. It was a really fun and informative day, where our rangatahi added to their kete of knowledge around how to be great leaders, both within our kura and the community. We look forward to seeing how these students enact these new learnings during 2023.

Te Puke High School Students Receive Milford Foundation Scholarship

Two 2022 Te Puke High School leavers have received a "genuinely life-changing" scholarship providing them with up to \$10,000 a year to cover university costs. Ashton Zaal and Piper Moore are two of 15 students from across the country who have been awarded the Milford Foundation Scholarship. In its first year, each candidate will receive up to \$10,000 yearly for the duration of their undergraduate degree. The Milford Foundation says the scholarship aims to "reduce inequality in

access to tertiary education" through providing financial support to school leavers where cost is a barrier. Ashton said this "took a lot of pressure" off him having to save about \$18,000 to cover his hall of residence fees. He is currently attending the University of Otago, studying for a Bachelor of Health Science. It was his goal to become a doctor. Piper was also awarded the scholarship. She was left speechless when she found out, saying she had dreamed of attending Wellington's Victoria University since childhood. She had always been certain she would attend until she found out how much university accommodation cost. "I wouldn't be able to afford accommodation otherwise - that's the biggest thing it covered." Te Puke High School's principal Alan Liddle said both students put in the hard work at school and were "well-deserving recipients" of the scholarships. "I was over the moon when I heard."

Student of the Week

Our Student of the Week is Bradley Hopping, he was nominated by Mrs Hayley Bilton. She says that Bradley shows our school values every day. He is respectful and resilient no matter what he does.

"I don't think he realises his full potential as he lights up a room every time he walks into it, no matter how bad his day might have been". Congratulations Bradley!

NCEA ME TE WHĀNAU WORKSHOP

Join us for a workshop designed to help whānau understand NCEA.

Te Puke
High School
Tuesday 7 March
5.30pm to 6.30pm

What we will cover:

- Aspirations of your tamaiti
- NCEA Endorsements
